The self paced course helps members learn or increase their knowledge about The American Legion. Even if you have taken the “old course” it is recommended you take this one which has been rewritten, updated, streamlined and enhanced with videos, digital photos, clickable links, a historical timeline and additional features. The program should take less than two hours to complete. It is divided into six sections, with a quiz at the end of each one, followed by a final exam. To sign up for the course go on line to www.legion.org/alei
